Headline:
Dry and bright with sunny spells. Frosty overnight.

Today:
A dry and bright morning with sunny spells and variable amounts of cloud after an early frost. Staying dry with sunny spells through the afternoon, feeling pleasantly warm in the sunshine and light winds. Maximum temperature 15 deg C (59 deg F).

Tonight:
Clear for large parts of the region overnight, with temperatures falling, allowing a local frost to form. Fog patches are also possible, especially to the east. Minimum temperature -1 deg C (30 deg F).

Monday:
Dry and bright day with rather warm sunny spells, after a cold, locally frosty or foggy start. Coastal mist possible overnight. An odd shower possible in far east later. Maximum temperature 17 deg C (63 deg F).

Outlook for Tuesday to Thursday:
Tuesday mainly dry, bright and rather warm after overnight fog clears. Bright spells Wednesday morning, but cloudier with rain later. Further sunny spells Thursday, milder. Overnight frosts throughout.
